ADMINISTRATION DIRECTORATE REVIEW: TRENDS AND HIGHLIGHTS

Evaluation

In order to enhance the usefulness of the Trends and Highlights Course to you and future participants, a continuing process of evaluation is necessary. We ask your cooperation in assisting us in keeping the course responsive to the needs of the participants.

COURSE OBJECTIVE

The objective of the course is to update Deputy Director for Administration careerists' knowledge and understanding of current activities, problems and trends in the Directorate and its various offices.

- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. What was the most useful segment of the program to you in your present assignment? The least useful? Please describe how you see the program benefiting you.

Most useful the overview of the Admin-
Directorate. The least useful polygraph
operations. This program helps to bring
the function of other components in the
Agency to our attention. It helps us to
understand the problems they encounter.
By knowing these problems we can better
work with the different sections of the Agency
in accomplishing the Agency's mission.
(See Reverse Side)

- C. Did you feel the session on the Administration Directorate/
Management & Advisory Group (AD/MAG) was beneficial? Why?

I feel the session on ADMAG was beneficial
in the sense - that there is a system there for
our complaints. However I also believe
that this system needs more authority
in handling and processing the complaints.
The idea of ADMAG is good but with no teeth.

- D. Other Comments:

The Trends + Highlights Class or Session
as a whole is excellent. It informs
and provides insight to the Agency's
problems and solutions. The class
is not perfect but neither is anything
else.
